Mr. Mangler asked the Board to take a look at their current crimes list to see if any are unreasonable ones that can be removed or sub-related ones identified in the Statute that need to be added. Mr. Mangler is having this discussion with all Boards, Commissions, and Councils due to legislators seeing barriers to licensing persons with criminal history. Mr. Mangler would like to see the Board look at their crimes list and to look at their current provisions around waivers being granted for crimes committed especially around the 5 year waiting period for specific crimes.
